State Statute Title 10, Chapter 6, Utah Code Annotated 1953, as Amended, allowed the City of West Valley to amend its budget during the year. West Valley City held public hearings on budget amendments on a quarterly basis each fiscal year. Proper public notice had been given pursuant to legal requirements.

Mayor Bigelow opened the public hearing. There being no one to speak in favor or in opposition, Mayor Bigelow closed the public hearing.

**ACTION: CONSIDER ORDINANCE NO. 15-13, AMENDING THE BUDGET OF WEST VALLEY CITY FOR THE FISCAL YEAR BEGINNING JULY 1, 2014, AND ENDING JUNE 30, 2015, TO REFLECT CHANGES IN THE BUDGET FROM INCREASED REVENUES AND AUTHORIZE THE DISBURSEMENT OF FUNDS**

The City Council previously held a public hearing regarding proposed Ordinance No. 15-13 that would amend the Budget of West Valley City for the fiscal year beginning July 1, 2014, and ending June 30, 2015, to reflect changes in the Budget from increased revenues and authorize the disbursement of funds.

After discussion, Councilmember Buhler moved to approve Ordinance No. 15-13, an Ordinance Amending the Budget of West Valley City for the Fiscal Year Beginning July 1, 2014, and Ending June 30, 2015, to Reflect Changes in the Budget from Increased Revenues and Authorize the Disbursement of Funds. Mayor Bigelow presented proposed Resolution No. 15-56 that would approve purchase of 36 self-contained breathing apparatus (SCBA) units, in an amount not to exceed \$147,212.00, for use by the Fire Department.

The subject packs would meet and exceed the current safety standard for the fire service. The purchase would replace about 75% of the existing equipment. It was

proposed the units would be purchased from L.N. Curtis Fire Equipment of Salt Lake City, Utah.

The current SCBA's were between seven and 12 years old and all were out of standard with the National Fire Protection Association (NFPA). The SCBA was one of the most vital pieces of safety equipment for the firefighter; and with the new packs the Department would be assured that the latest safety items were in place. With the purchase the Department would be upgrading with the current vendor that would cut down on training time for the replacement project. Some of the best of the older units would be kept, as it would not be possible to replace all of the units at this time.

After discussion, Councilmember Buhler moved to approve Resolution No. 15-56, a Resolution Approving the Purchase of Self-Contained Breathing Apparatus (SCBA) Units for use by the West Valley City Fire Department. Councilmember Huynh seconded the motion.

A roll call vote was taken:

## **Recognition of Janice Fisher**

### **April 21, 2015**

In 1985, just five years after the City was incorporated, Janice Fisher recognized the City did not have a focus on trees or maintaining its urban forest. As a result, Janice put forth efforts to raise awareness, organize tree planting and fundraising.

One of the programs Janice initiated was the “Because of Me, There’s a Tree” campaign. It was to raise funds for tree projects in parks and other areas of the City. Advertising was done, public announcements went out, the campaign began and donations began coming in.

The City’s first parks were just being completed or started at that time. Park construction budgets were small. The donated funds were dedicated to trees and greatly helped make the parks and other properties green. Many of the trees (still standing today) in older parks are a result of her efforts. One of her most recognizable accomplishments stands in City Park. It is a grove of 13 trees celebrating the founding of the United States and represents the original 13 Colonies.

Janice also organized the City’s Tree Committee. It was made up of residents and Parks and Recreation Department staff. Janice would organize the meetings, make sure they took place, prepare an agenda, and set the vision. The Committee was the emphasis and a requirement to qualify to be a “Tree City USA.” The City has been a “Tree City USA” member for 20 years and has qualified for 10 growth awards.

Janice’s efforts led to a greater public understanding of the importance of trees in creating a sense of identity in the development of Parks, neighborhoods, commercial areas, and the over-all image of the City

**ISSUE:**

An ordinance text amendment to amend Section 7-6-1605 of the City Center Zone.

**SYNOPSIS:**

Staff is proposing some clarifying amendments to paragraph 7 of Section 7-6-1605 of the City Center (CC) Zone. This paragraph addresses height requirements in the Zone. The proposed amendment, which is attached to this report, does not change any of the height standards but simply clarifies how they are applied.

To create a transition between tall buildings in the middle of the City Center Zone and single family homes just outside the Zone, the existing ordinance includes lower height standards for those areas within 100' of existing single family homes. The proposed revision clarifies that if a building is partially within the 100' and partially outside the 100', both the lower and higher standards apply to the respective portions of the building.

**RECOMMENDATION:**

City staff and the Planning Commission recommend approval of the Ordinance.

**PURPOSE OF THE NOTICE OF PRIVACY POLICIES  
AND PRACTICES ("NOTICE")**

Educators Mutual Insurance Association of Utah and its affiliates ("EMI Health") are dedicated to keeping the personal financial information of the individuals that participate in the group health plans of its customers confidential and secure. This Notice explains how we protect the confidentiality of non-public personal financial information ("NPFI") of those individuals enrolled in the group health plans that we serve. NPFI is information that identifies an individual (such as a name or address) and relates to an individual's finances (such as insurance claim history). In addition to the information set forth in this Notice, Educators observes certain restrictions with regard to protected health information ("PHI") protected under the federal Privacy Rule with respect to PHI that EMI Health receives in its capacity as a health plan (see EMI Health Notice of Privacy Practices With Regard to PHI).

**TYPES OF NPFI WE COLLECT**

In order to process claims and conduct other activities associated with administering your group health plan, we collect and use several different types of information. To begin, we collect information that individuals provide directly to us. For example, we may collect information that an individual supplies on an application form, including name, address, social security number, and information about dependents. We also collect information about an individual's transactions with us and our affiliates, as well as information from non-affiliated third parties (such as payment history). We collect information about individuals in the course of conducting insurance transactions, including information provided by health care providers and other insurers with whom we may coordinate benefits. We may also receive information from a consumer reporting agency.

We may retain this information after an individual's participation in the group health plan ends.

**TYPES OF NPFI WE DISCLOSE**

We do not disclose any NPFI about an individual that we collect to any non-affiliated third parties, except as authorized by the individual or as permitted by law. In other words, we disclose NPFI that we collect to affiliate and non-affiliated entities, as permitted by law. We do not disclose NPFI to non-affiliated third parties for the purpose of marketing products or services. We may disclose the following NPFI:

- ✓ An individual's name, address, and social security number that we collect from the individual;

- ✓ Information that we collect in the course of processing health care claims and administering the account of the individual's group health plan;
- ✓ Information that we collect when adjudicating and paying claims of individuals, including claims for short and long-term disability benefits, workers compensation benefits, or other insured or self-insured benefits administered by EMI Health;
- ✓ Information that we are required to disclose when responding to requests for information from the Utah Department of Insurance in accordance with applicable laws and regulations;
- ✓ Information that we collect from a consumer reporting agency.

**HOW WE PROTECT INFORMATION**

EMI Health maintains physical, electronic, and procedural safeguards to protect all NPFI. We limit access to NPFI about an individual to those employees who need to know the information in order to service the policy or claim.

**WHAT TO DO**

You do not need to call us or do anything because of this Notice. This Notice simply informs you of how EMI Health protects NPFI.

## FRANCHISE AGREEMENT

**THIS FRANCHISE AGREEMENT** (hereinafter "Agreement") is entered into by and between West Valley City (hereinafter "City"), a municipal corporation and political subdivision of the State of Utah, with principal offices at 3600 Constitution Boulevard; West Valley City, Utah 84119, and XO Communications Services, LLC (hereinafter "Provider"), a limited liability company organized under the laws of the State of Delaware with its principal offices at 13465 Sunrise Valley Dr., Herndon, VA 20171, (hereinafter "Party" individually and "Parties" collectively).

### WITNESSETH:

**WHEREAS**, the Provider desires to provide voice, data or video transmission services within the City and in connection therewith to establish a telecommunications network in, under, along, over and across present and future rights-of-way of the City; and

**WHEREAS**, the City has enacted Chapter 20-5 of the West Valley City Municipal Code (hereinafter "Telecommunications Rights-of-Way Ordinance"), which governs the application and review process for telecommunications franchises in the City; and

**WHEREAS**, the City has subsequently enacted Chapter 20-6 of the West Valley Municipal Code (hereinafter the "Mobile Telephone Service Revenue Act") which – pursuant to Utah law – permits the City to require all telecommunications providers to collect taxes from their customers and deposit them with the Utah State Tax Commission; and

**WHEREAS**, the City, in exercise of its management of public rights-of-way, believes that it is in the best interest of the public to provide the Provider a nonexclusive franchise to operate a telecommunications network in the City.

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements of the Parties contained herein, and for other good and valuable consideration, the City and the Provider agree as follows:

### **ARTICLE 1. FRANCHISE AGREEMENT AND ORDINANCE**

1.1 **Agreement.** Upon approval by the City Council and execution by the Parties, this Agreement shall be deemed to constitute a contract by and between the City and the Provider.

1.2 **Ordinance.** The City has adopted The Telecommunications Rights-of-Way Ordinance and Mobile Telephone Service Revenue Act (collectively referred to as the "Ordinances"), which are incorporated herein by reference and attached as Exhibit A. The Provider acknowledges that it has had an opportunity to read and become familiar with the

Ordinances. The Parties agree that the provisions and requirements of the Ordinances are material terms of this Agreement, and that each Party hereby agrees to be contractually bound to comply with the terms of the Ordinances. The definitions in the Ordinances shall apply herein unless a different meaning is indicated. Nothing in this section shall be deemed to require the Provider to comply with any provision of the Ordinances which is determined to be unlawful or beyond the City's authority.

**1.3 Ordinance Amendments.** The City reserves the right to amend the Ordinances at any time. The City shall give the Provider notice and an opportunity to be heard concerning any proposed amendments. If there is any inconsistency between the Provider's rights and obligations under the Ordinances as amended and this Agreement, the provisions of this Agreement shall govern during its term. Otherwise, the Provider agrees to comply with any such amendments.

**1.4 Franchise Description.** The telecommunications franchise provided hereby shall confer upon the Provider the nonexclusive right, privilege, and franchise to construct and maintain a telecommunications network in the present and future public rights-of-way in the City. The franchise does not grant to the Provider the right, privilege or authority to engage in community antenna (or cable) television business; although, nothing contained herein shall preclude the Provider from (1) permitting those with a cable franchise who are lawfully engaged in such business to utilize the Provider's system within the City for such purposes, or (2) from providing such service in the future if an appropriate franchise is obtained and all other legal requirements have been satisfied.

**1.5 Licenses.** The Provider acknowledges that it has obtained the necessary approvals, licenses or permits required by federal and state law to provide telecommunication services consistent with the provisions of this Agreement and with the Ordinances.

**1.6 Relationship.** Nothing herein shall be deemed to create a joint venture or principal-agent relationship between the Parties, and neither Party is authorized to, nor shall either Party act toward third persons or the public in a manner that would indicate any such relationship with each other.

## **ARTICLE 2. FRANCHISE FEE**

**2.1 Telecommunications License Tax.** Pursuant to Utah law, the fee required under this Agreement is satisfied by the Provider's collection and proper deposit of Telecommunications License Tax with the Utah State Tax Commission. The Provider shall collect and deposit with the Utah State Tax Commission Municipal Telecommunications License Tax at the rate and in the manner currently provided by Utah Code Ann. § 10-1-401 et seq., less any business license fee or business license tax imposed by the City.

2.2 **Equal Treatment.** City agrees that the fees imposed in the City are imposed on a competitively neutral basis, and that any competing third party shall also be subject to fees at the same rate.

2.3 **Additional Fees.** The payment of the Franchise Fee does not prevent the City from requiring the payment of other fees imposed in accordance with Utah Code Ann. § 72-7-102, relating to management costs caused by Provider's activities in the right-of-way.

### **ARTICLE 3. TERM AND RENEWAL**

3.1 **Term and Renewal.** The franchise granted to Provider shall be for a period of ten (10) years commencing on the first day of the month following this Agreement, unless this franchise be sooner terminated as herein provided. At the end of the initial ten (10) year term of this Agreement, the franchise granted herein shall be renewed by the Provider upon the same terms and conditions as contained in this Agreement for an additional ten (10) year term, unless the Provider gives written notice to the City's representative designated herein written notice of the Provider's intent to renew not less than ninety (90) calendar days before the expiration of the initial franchise term.

3.2 **Rights of Provider Upon Expiration or Revocation.** Upon expiration of the franchise granted herein, whether by lapse of time, by agreement between the Provider and the City, or by revocation or forfeiture, the Provider shall have the right to remove from the rights-of-way any and all of its system, but in such event, it shall be the duty of the Provider, immediately upon such removal, to restore the rights-of way from which such system is removed to as good condition as the same was before the removal was effected.

### **ARTICLE 4. PUBLIC USE RIGHTS**

4.1 **City Uses of Poles and Overhead Structures.** The City shall have the right, without cost, to use all poles owned by the Provider within the City for fire alarms, police signal systems, or any lawful public use; provided, however, any said uses by the City shall be for activities owned, operated or used by the City for any public purposes and shall not include the provision of telecommunications service to third parties.

4.2 **Limitations on Use Rights.** Nothing in this Agreement shall be construed to require the Provider to increase pole capacity, alter the manner in which the Provider attaches equipment to the poles, or alter the manner in which the Provider operates and maintains its equipment. Such City attachments shall be installed and maintained in accordance with the reasonable requirements of the Provider and the current National Electrical Safety Code. City attachments shall be attached or installed only after written approval by the Provider, which approval will be processed in a timely manner and will not be unreasonably withheld.

4.3 **Maintenance of City Facilities.** The City's use rights shall also be subject to the parties reaching an agreement regarding the City's maintenance of the City attachments.

## **ARTICLE 5. POLICE POWERS**

5.1 The City expressly reserves, and the Provider expressly recognizes, the City's right and duty to adopt, from time to time, in addition to provisions herein contained, such ordinances and rules and regulations as the City may deem necessary in the exercise of its police power for the protection of the health, safety and welfare of its citizens and their properties.

## **ARTICLE 6. CHANGING CONDITIONS AND SEVERABILITY**

6.1 **Meet to Confer.** The Provider and the City recognize that many aspects of the telecommunication business are currently the subject of discussion, examination and inquiry by different segments of the industry and affected regulatory authorities and that these activities may ultimately result in fundamental changes in the way the Provider conducts its business and the way the City regulates the business. In recognition of the present state of uncertainty respecting these matters, the Provider and the City each agree, upon request of the other during the term of this Agreement, to meet with the other and discuss in good faith whether it would be appropriate, in view of developments of the kind referred to above during the term of this Agreement, to amend this Agreement or enter into separate, mutually satisfactory arrangements to effect a proper accommodation of any such developments.

6.2 **Severability.** If any section, sentence, paragraph, term or provision of this Agreement or the Ordinances is for any reason determined to be or rendered illegal, invalid or superseded by other lawful authority, including any state or federal, legislative, regulatory or administrative authority having jurisdiction thereof, or is determined to be unconstitutional, illegal or invalid by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such determination shall have no effect on the validity of any other section, sentence, paragraph, term or provision, all of which shall remain in full force and effect for the term of this Agreement or any renewal or renewals thereof. Provided that if the invalidated portion is considered a material consideration for entering into this Agreement, the Parties will negotiate, in good faith, an amendment to this Agreement. As used herein, "material consideration" for the City is its ability to collect the Franchise Fee during the term of this Agreement and its ability to manage the rights-of-way in a manner similar to that provided in this Agreement, the Ordinances, and the City's excavation ordinance. For the Provider, "material consideration" is its ability to use the rights-of-way for telecommunication purposes in a manner similar to that provided in this Agreement, the Ordinances, and the City's Excavation Ordinance.

## **ARTICLE 7. EARLY TERMINATION, REVOCATION OF FRANCHISE AND OTHER REMEDIES**

**7.1 Grounds for Termination.** The City may terminate or revoke this Agreement and all rights and privileges herein provided for any of the following reasons:

- (a) The Provider fails to make timely payments of the Franchise Fee as required under Article 2 of this Agreement and does not correct such failure within sixty (60) calendar days after written notice by the City of such failure;
- (b) The Provider, by act or omission, materially violates a material duty herein set forth in any particular within the Provider's control, and with respect to which redress is not otherwise herein provided. In such event, the City, acting by or through its City Council, may determine, after hearing, that such failure is of a material nature, and thereupon, after written notice giving the Provider notice of such determination, the Provider, within sixty (60) calendar days of such notice, shall commence efforts to remedy the conditions identified in the notice and shall have ninety (90) calendar days from the date it receives notice to remedy the conditions. After the expiration of such 90-day period and failure to correct such conditions, the City may declare the franchise forfeited and this Agreement terminated, and thereupon, the Provider shall have no further rights or authority hereunder; provided, however, that any such declaration of forfeiture and termination shall be subject to judicial review as provided by law, and provided further, that in the event such failure is of such nature that it cannot be reasonably corrected within the 90-day time period provided above, the City shall provide additional time for the reasonable correction of such alleged failure if the reason for the noncompliance was not the intentional or negligent act or omission of the Provider; or
- (c) The Provider becomes insolvent, unable or unwilling to pay its debts; is adjudged bankrupt; or all or part of its facilities should be sold under an instrument to secure a debt and is not redeemed by the Provider within sixty (60) days.

**7.2 Reserved Rights.** Nothing contained herein shall be deemed to preclude the Provider from pursuing any legal or equitable rights or remedies it may have to challenge the action of the City.

**7.3 Remedies at Law.** In the event the Provider or the City fails to fulfill any of its respective obligations under this Agreement, the City or the Provider, whichever the case may be, shall have a breach of contract claim and remedy against the other, in addition to any other remedy provided herein or by law; provided, however, that no remedy that would have

whatsoever kind on account of or arising from the Provider's acts or omissions pursuant to or related to this Agreement, and to pay any and all costs, including reasonable attorneys' fees, incurred by the City in defense of such claims. The City shall promptly give written notice to the Provider of any claim, demand, lien, liability, or damage with respect to which the City seeks indemnification and, unless in the City's judgment a conflict of interest may exist between the Parties with respect to the claim, demand, lien, liability, or damage, the City shall permit the Provider to assume the defense of such with counsel of the Provider's choosing, unless the City reasonably objects such counsel. Notwithstanding any provision of this section to the contrary, the Provider shall not be obligated to indemnify, defend or hold the City harmless to the extent any claim, demand, lien, damage, or liability arises out of or in connection with negligent acts or omissions of the City.

## **ARTICLE 10. GENERAL PROVISIONS.**

**10.1 Binding Agreement.** The Parties represent that (a) when executed by their respective Parties, this Agreement shall constitute legal and binding obligations of the Parties; and (b) that each Party has complied with all relevant statutes, ordinances, resolutions, by-laws and other legal requirements applicable to their operation in entering into this Agreement. This Agreement shall be binding upon the heirs, successors, administrators and assigns of each of the Parties.

**10.2 Utah Law.** This Agreement shall be interpreted pursuant to Utah law.

**10.3 Time of Essence.** Time shall be of the essence of this Agreement.

**10.4 Interpretation of Agreement.** The invalidity of any portion of this Agreement shall not prevent the remainder from being carried into effect. Whenever the context of any provision shall require it, the singular number shall be held to include the plural number, and vice versa, and the use of any gender shall include any other and all genders. The paragraphs and section headings in this Agreement are for convenience only and do not constitute a part of the provisions hereof.

**10.5 No Presumption.** All Parties have participated in preparing this Agreement. Therefore, the Parties stipulate that any court interpreting or construing the Agreement shall not apply the rule of construction that the Agreement should be more strictly construed against the drafting Party.

**10.6 Entire Agreement and Amendments.** This Agreement and all attachments hereto constitute and represent the entire agreement and understanding between the parties hereto and replaces any previous agreement, understanding or negotiation between the parties with respect to the subject matter hereof, and may be modified or amended, supplemented, or changed only by the written agreement of the parties, including the formal approval of the City Council. No oral modifications or amendments shall be effective.
